

NJFCC- PRINTS- Advancement to Class-A Level

After a review of the NJFCC Print Competition results for the last three seasons, the NJFCC is happy to announce that the individuals below have received sufficient award points to advance them to the Class A Level. The current NJFCC criteria for this achievement is the accumulation of 8 or more points in a one to two year period. Points assigned are as follows: 6 for Plaque, 5 for a medal, 4 for a Merit award, and 2 for an HM. Since the Merit award was only instituted this last 2001-02 season, a special review of the scores of the previous 2 seasons was made and appropriate recognition (and advancement points) was give to those who had scores equal to or the next lower score to the medal winners in those contests. Congratulations!

* indicates some points achieved in TOPS against Class A as well as Class B photographers.
