Organized for the mutual enjoyment and advancement of photography in

organization. Without your help and support, the Federation will not be able to continue to sponsor inter-club competitions, host the yearly Photorama, or continue to foster interest in photography. These efforts take time, energy, and coordination. In this day and age, it is a challenge to find time to spend on activities one may enjoy, not to mention the administrative details that may be associated with them. However, the more volunteers that can work together on these activities, the less time each individual may need to contribute. Any and all help is greatly appreciated.

The NJ Federation of Camera Clubs is in dire need of volunteers to help with the

If you have an interest in helping the Federation, you can contact your club's representative or any of the Federation officers and trustees. Monthly meetings are held at the Watchung Art Center on the third Monday of each month. You can also send email to njfcc@hotmail.com – all correspondence will be forwarded to the appropriate party.

Announcements

Ira Finke, editor of the Cable Release, has retired from the position. We'd like to thank Ira for his time and dedication to the Federation newsletter. Barbara Svachak has volunteered to take over his position. All comments, suggestions, corrections, and submissions may be directed to Barbara.

The Hillcrest Camera Club would like to remember James Staples, who passed away on Dec 31, 1998. He will be missed.

The Montclair Camera Guild merged with the West Essex club and formed the Essex Photo Club. They have an almost new print box which they will give to any NJFCC club that needs one. Preferably a small club. The club has to come to Montclair to pick it up. Interested parties should call Joan Gorman at 973-743-7020.

Note:

 New competition chairperson info on page 2

The Federation has merged onto the 'Information Super-highway' and has obtained a free email address. Additionally, free webspace has been obtained and a page is being created for the Federation. Eventually club information and an electronic edition of The Cable Release will be online. Address information is on the last page.

NJFCC Competitions

The Federation now has Chairpersons for the Interclub Competitions. Marion Boyer graciously volunteered her services as chairlady for the Pictorial Slide Competitions and Ira Finke will chair the Nature Competitions. Slides for the Spring Interclub should be sent to Marion Boyer. Nature slides for the Skibneski and Spring Interclub competitions should be sent to Ira Finke.
