

# THE CABLE RELEASE

Volume 52, Issue 4  
November 2004

Organized for the mutual enjoyment and advancement of photography in New Jersey.

**CORRECTIONS .....**

On page 2 — There were two items near the bottom on Roman Kurywczak and one on the Camera Naturalist Photo Club. While most of the details of the award are correct, they were about an award given to Camera Naturalist as a club not to Roman as an individual. Although he is the club's president, he did have at least one of the 20 entries that were submitted under the club's name. To contact editor, please email [cablerelease@njfcc.org](mailto:cablerelease@njfcc.org)
