IN MEMORIAM EARLE J. Stevens

Earle J. Stevens unexpectedly passed away on July 8, 2006. He was 69.

He was born and raised in Schenectady, N.Y. After high school, he attended Syracuse University and graduated with a degree in liberal arts. He was a U.S. Army veteran, serving from 1961 to 1963 and served with the Army Reserve until 1967. He retired from Foa & Son Inc., in New York City as an ocean cargo insurance underwriter.

Earle joined the Ocean Camera Club of Lakewood NJ in 1997. He was somewhat shy but was keenly interested in submitting his work for competition in mono, color print and color slides. It did not take him long to move up to the salon group in both mono and color prints.

His unique style of architectural and reflective still life photography brought a new perspective to our photographic competitions.

His early commercially-processed prints proved to be very successful but, once he moved to printing his own photographs, there was no holding him back. He reveled in learning every nuance of digital printing using both software and hardware to their maximum extent.

He became the Print Chairman and, eventually, President of Ocean Camera Club and the Delaware Valley Camera Club Council. In the four years he served, he never failed to take the club in new and exciting directions. He attracted a cadre of energetic supporters and brought the club into the new digital age.

Beside his interest in photography, he belonged to a variety of clubs such East Penn

Save Waterloo Village

We received this from the Executive Director of Waterloo Village via Gordon Emrich, Jr. and John Davidson:

For those who may not know, Waterloo Village did not receive funding from the State in the FY2007 budget. This will force Waterloo Foundation to close after 40 years of operating the property. Waterloo Village is completely owned by the state. It is one of the largest Historic sites in New Jersey.

The Waterloo Foundation has been responsible for and has managed and restored the nearly 30 historic structures on over 400 acres since the Founder, Percival Leach, first came to Waterloo in the late forties. Many know Waterloo as a music and special event venue. This was done to raise both revenue and awareness about this most important site.

Please take just 45 seconds of your time to let our Governor and other elected officials know what a huge mistake they are making by not continuing to support Waterloo.

Please feel free to contact Executive Director, Greg Gaertner via his cell phone, 973.219.0722, if you has any thoughts or ideas.

Traction Club, The Society of American Magicians, Old Time Radio Society, Audiophile Society and the Model Railroaders of NJ. He had a vast amount of knowledge in all these areas, along with a keen sense of finding good places to eat.

We became great friends. I, along with members of the Ocean Camera Club, will greatly miss him.
