

# THE CABLE RELEASE

Volume 54, No. 10

May 2007

Organized for the mutual advancement and enjoyment of photography .

## A MESSAGE FROM THE PICTORIAL IMAGE CHAIR

As your club is preparing its schedule for the upcoming year, **please consider hosting an NJFCC Pictorial Image/Slide competition.** Now with the inclusion of digital images, these competitions have been very well received. The NJFCC contributes \$75 to the host club so your club should not have to incur any out-of-pocket expenses. We also provide all of the equipment so only a screen and some volunteers are needed.

For those clubs that are interested please choose from the following competitions -- at this point, a definite date that your club will host the competition is not required -- a definite date will be needed by the end of May/early June.

- Fall (October, 2007)
- TOPS - (end of November/December, 2007)
- Spring (end of March/April/or first week in May, 2008)

I look forward to meeting some new clubs or re-visiting past hosting clubs!

Diane Dugan  
NJFCC Pictorial Image Chair

## A MESSAGE FROM THE NATURE CHAIR

To all NJFCC member clubs,

It's that time of year again! I am looking for hosts for the NJFCC Nature competitions for next season. I still need a club to host the Annual Fall Nature (October) and the Annual Spring Nature (April). Camera Naturalists Photo Club has graciously agreed to host the Tops in NJ - Nature in February.

The host club must hire three judges. The NJFCC will reimburse the host club \$75 toward the expense of hiring the judges.

In addition the host club must have someone to operate and focus the slide projector, keep score, sort the slides as they are judged, and call out the scores.

The NJFCC will supply the slide projector, digital projector and scoring device. It will be an enjoyable evening and will give your members the opportunity to see some fine photography.

Sincerely,  
Marie Kane, NJFCC Nature Chairperson
