EDITORIAL CONTENT OF YOUR NEWSLETTER

As is apparent, the editorial content of this issue of Cable Release is sorely lacking. We need the help of all of our member clubs through submission of timely articles and information on club or regional events.

We're also trying to continue the Spot Light Series. Last month we featured Princeton Camera. Check that issue for the content and length of the articles we're requesting.

FALL PRINT COMPETITION

The NJFCC Fall Print Competition will be hosted by Tri-County Camera Club on November 13, 2007.

Check out the Competition Page on the web site, at www.njfcc.org, as there are minor rules changes, including elimination of the Trade Category. Entry forms have also been revised.

The Closing Date for submitting entries is October 15th if a club is planning on bringing them to the Delegates Meeting that night
