THE CABLE RELEASE

Volume 55, No. 8

March 2008

Organized for the mutual advancement and enjoyment of photography .

NEWSLETTER NEEDS

In order for your newsletter to provide interesting copy, we depend on members of our 31 clubs. We've made this request several times so far during the 2007-08 Federation Year.

We're looking for articles about your club - what you are, what you do, etc.

If a club member wins a non-NJFCC contest, we'd sure like to extend a round of applause. If a member performs a service or offers a unique program, presentation in the newsletter can give some ideas to other clubs as planning for the rest of the year and next's move forward.

Please send your information to:

The new Nikon D300 vs. Compromise.

The incomparable Nikon D300™, the only digital SLR in its class combining fast, accurate 51-point auto-focus, a 12.3 megapixel DX-Format CMOS sensor, an advanced dust reduction system and tempered glass to protect the LCD monitor. And that's just the beginning.

The more you know about the Nikon D300, the less you'll want any other digital SLR.

Find out more at nikonusa.com/D300.
