

THE CABLE RELEASE

Volume 61, No. 1
August 2013

Organized for the mutual advancement and enjoyment of photography .

A NEW YEAR BEGINS

A new year in the life of the New Jersey Federation of Camera Club begins, the 61st to be exact. And, there's lots to report as we begin.

First, we'll be having three major Competition Categories: Nature, Pictorial [projected images] and Prints. And, we're pleased to announce the folks who'll be the respected Chairpersons:

Nature: Marie Kane, NJFCC

Pictorial: Al Brown and Nick Palmieri [Cranford-Millburn CC]

Prints: Dennis Arculeo and Eric Mayr [Staten Island CC]

Dates for the 2013-14 Competitions are on the website..

NJFCC upgraded our competition capabilities with the purchase of two laptops and two projectors. This will ease the conduct of the Nature and Pictorial Competitions as we go forward.

Finally, check the web site for changes to the Competition Rules.

The Board of Trustees has extended the Payback Program designed to help defray the cost of Speakers and Judges. The form to use to obtain payment for speaker fees can be obtained from the NJFCC website, www.njfcc.org, at Information>Documents>NJFCC Payback Program Form.

To qualify, your club need only be a member of the NJFCC for one year.

Photorama 2014 is scheduled for April 12th. Mark your calendars now because you won't want to miss; however, the details probably won't be posted on the website for a few months. It will again be held in the FEA Conference Center, 12 Centre Drive, Monroe Township, NJ 08831 and we can expect more vendors than ever before.

As usual, we're certain some clubs will be starting their club years with new officers. Please take the time to make the web site changes for your club. Also, please update your meeting schedules.

HUNT'S PHOTO: A LEADER IN THE PHOTO BUSINESS WITH PERSONALIZED SERVICE

Hunt's is an icon in the photographic, video and digital imaging business. Our Company was founded in 1889 and over the years we have gained the reputation as the destination location for imaging products throughout New England and the USA. We have grown and evolved to a staff of 100 people operating throughout New England with a team of professionals traveling the USA reaching out to our customers across the nation. Today we specialize in digital products including consumer cameras, consumer and professional digital SLR's, consumer and professional printers, inkjet media and inks. We offer competitive everyday pricing and free ground shipping in the lower 48 states. What differentiates Hunt's Photo from our competitors is the personal service we offer and our tireless effort to build long lasting relationships with the customer.

FAKING IT

On October 3, 2013 the Staten Island Camera Club will be hosting Keynote Speaker AD Colman, key note speaker for the exhibit "Faking it." The exhibit was presented at the Metropolitan Museum of Art. We will be talking about the history of photo editing. The exhibit traces the history of how many of the photos, that people have seen and thought were done in the camera, were actually constructed in the darkroom from a few to many original photos. It will show those present that anything was possible in the wet darkroom days as it is now. Then, it may have taken some time to create a believable image; today it takes less time for the same incredible creations. It answers the question how much is too much in reality whatever it takes to get your point across should be done.

There will be ample time for questions, also you can Google the exhibit and see some examples.

The presentation will be made the Harbor Room in Snug Harbor at 8:00 PM. Members of the Federation Clubs are invited to join us.

Tibor Vari
