

THE CABLE RELEASE

Volume 61, No. 10

May, 2014

Organized for the mutual advancement and enjoyment of photography .

SUMMER HIATUS

It's that time of the year . . . The last Delegates Meeting was held. Checking last month's Calendar of Events of the member clubs, it's obvious that most of them also go on hiatus.

We've included June events in this issue; however, there will be no issue produced for July.

Hope you enjoy your summer, especially if you vacation somewhere particularly photogenic. Our kids have rented a villa in Tuscany; two sets of parents celebrating their 50th anniversaries and all 16 of kids and grandkids will help celebrate.

Obviously, there will be few photo-ops . . .

The Cable Release returns in August.

Roamin' with Roman Photo Tours

Roamin' with Roman Photo Tours runs instructional small group tours and workshops that cater to photographers who don't want to get lost in a crowd!!!

When comparing prices, remember that my tours include lodging (based on double occupancy) and transportations from the departure point.

I run tours to Arches, Canyonlands, Monument Valley, Zion, Bryce, Yellowstone, Grand Tetons, Florida for Birds, Iceland, Tanzania, and more! See the schedule & galleries on my website for all the details and dates.

I personally lead all my tours and workshops. I take only 4 participants on my US based tours to ensure a more intimate teaching and learning environment. This small group size also gives me greater schedule flexibility. It allows me to modify the itinerary instantly, even accommodations, as weather or shooting conditions change. LOCATION LIGHTING WITH RICK FRIEDMAN!

Hunt's Photo and Video

Thursday, July 10, 2014 from 10:00 AM to 5:00 PM (EDT)
Holyoke, MA

Join award-winning photographer Rick Friedman for his hands-on "Location Lighting Workshop™". This intensive and interactive seminar is designed for portrait, wedding, corporate and event photographers, photojournalists and serious amateurs who desire to improve their knowledge of lighting.

This 1-day hands on workshop begins with creating interesting light with one Speedlight on camera and then with a single speedlight off camera. The workshop progresses to using multiple lights and mixing speedlights with ambient light. We work with Flashbenders, soft boxes, strip lights, beauty dishes, grids, reflectors, gobos and other techniques to control light, create hairline lights and add color gels to your images.

Rick has taught this workshop in cities across the US and in the UK over the last 10 years. Come join us for a couple of days of lighting and laughing.

Rick will also be sharing his portable location lighting techniques that keep his clients coming back. As a working magazine photojournalist and corporate photographer, his approach is always practical, innovative, and most of the time, fits in his camera bag. Rick's clients include: Time, Sports Illustrated, Newsweek, New York Times, der Spiegel, The Guardian and many other publications. Come join us for a couple of days of lighting and laughing. Rick teaches with both Nikon and Canon strobes.

There will be lots of equipment for attendees to use and discounted pricing on certain products. Rick is also the creator of the Rosco Location Lighting Kit.

Tibor Vari Photo workshops

T-Tours runs one or two photography workshops in the Western US each year. Trips are focused on getting great photographs whether you are a beginner or a seasoned pro. All trips are limited to 4 participants with a minimum of 3.

Details on these workshops are on my website
<http://www.tiborvari.com/workshops/workshops.htm>.

I run tours to all the major national parks in the West, including Yosemite, Olympic, Mt. Rainer, Arches, Canyonlands, Great Sand Dunes, Rocky Mountain, and areas such as the Eastern Sierra's (Mono Lake), and Colorado Fall Colors. These locations are almost in my back yard as I am now based out of Colorado.

Specific details of workshop locations can be found on my website and can change depending on weather conditions and lighting. The small group allows for a very intimate photography experience and a good time for all. I'll make sure to get you to the best locations for sunrise and sunset.

Prices include lodging, vehicle, gas and pickup/drop-off from the start location. Participants need to make their own flight reservations. Food is not included. My contact information is below.
