1ST TEANECK INTERNATIONAL COMPETITION AND EXHIBITION FOR PHOTOJOURNALISM

Teaneck Camera Club's 1st International is a worldwide competition for digital projected photographs illustrating Photojournalism. This contest welcomes entrants from around the world and it is not necessary to belong to the Teaneck Camera Club to enter.

Members of Teaneck Camera Club have organized and administered this event under guidelines prescribed by the Photographic Society of America (PSA).

Entries must be submitted online by October 19, 2015. An entry consists of 4 images. The images will be judged by a panel of three judges on October 31st, 2015 at the Rodda Recreation Center, 250 Colonial Court, Teaneck, NJ 07666 starting at 11 am. All are welcome to attend and watch the proceedings at any time and leave at any time.

Photojournalism images consist of pictures with informative content and emotional impact, including human interest, documentary and spot news. The journalistic value of the photograph shall be considered over pictorial quality.

Photographers enter these competitions to gain Acceptances in the Photographic Society of America (psa-photo.org). After the images are scored, the higher scoring images are given Acceptances. The highest scoring images will receive Honorable Mentions and then the top scores will be awarded Medals. Entrants do not have to be members of the Photographic Society of America.

After the judging is completed, the accepted images are organized into a digital show that will be presented at the Teaneck Camera Club in January. The show will also be presented to two other camera clubs in the NJ area and will be available for viewing on the Teaneck Camera Club website.

A catalog listing the photographers' names and titles of the accepted images will be shown on our website. The Medal winning photos along with Honorable Mentions will also be displayed in the online catalog.

For further details and information on how to enter the competition see the Teaneck Camera Club website, www.teaneckcameraclub.org, and select "Teaneck Int'l" from the top of the home page.

Roamin' with Roman Photo Tours

Roamin' with Roman Photo Tours runs instructional small group tours and workshops that cater to photographers who don't want to get lost in a crowd!!!

When comparing prices, remember that my tours include lodging (based on double occupancy) and transportation from the departure point.

I run tours to Arches, Canyonlands, Monument Valley, Zion, Bryce, Yellowstone, Grand Tetons, Florida for birds, Iceland, Tanzania, and more! See the schedule & galleries on my website for all the details and dates.

I personally lead all my tours and workshops. I take only 4 participants on my US based tours to ensure a more intimate teaching and learning environment. This small group size also gives me greater schedule flexibility. It allows me to modify the itinerary instantly, even accommodations, as weather or shooting conditions change. No other photography tour company can say that!

You can contact me by e-mail: rkurygwczak@gmail.com or call (908) 241-0500

Hunt's

I'm writing this to you on Memorial Day weekend, the unofficial start of summer! Today in Salem, MA it's in the 70's with low humidity and a light breeze. If it could only stay like this all summer. Perfect weather to go out make some photographs!

We have some great specials for you in June so let's get started:

The [Canon Pixma PRO 10](#) and [Pixma PRO 100](#) continue to be on special with huge mail in rebates!

Now through June 30, 2015 or until supplies run out we are offering the [Canon Pixma PRO 10 printer](#) at \$379.99 before rebate (Canon sells it on their website for \$699.99). If you purchase the printer plus a package of 13x19x50 sheets of Canon Semi-Gloss or Luster paper, \$50, Canon will send you a \$250 mail in rebate! Your final cost is \$129.99 plus the paper! Or if you prefer, you can buy the [Canon Pixma PRO 100 printer](#) at \$269.99 (\$499.99 on Canon's website), buy the paper, \$50, and receive a \$150 mail in rebate. Your final cost is \$119.99 plus the paper.

[Datacolor Spyder4Elite Colorimeter for Tablets & Monitors](#), \$149.99, regular price \$249.99. If you are printing and not calibrating your monitor, I guarantee you are wasting money on ink and paper! Monitor calibration is the only way to get what you see on the monitor to match what prints. It's easy, automated, simple and now inexpensive with a \$100 saving on the [Datacolor Spyder4Elite Colorimeter](#). Click on the link for a review and step by step from Tom's Hardware.

[Induro CT203 Tripod](#), \$249.99, \$469 on Induro's website, supplies limited
