

NJFCC Judge Training – Qualifications Questionnaire

Please complete, save and email to Vinnie Kempf at: vinkempf@verizon.net

In order to be a judge eligible for inclusion in the NJFCC Judge's List one needs to be a member of their camera club for two years and additionally to be a competitor in the top class in that club. We desire to have the same qualifications applicable to someone who wants to participate in the Judge's Training program. If you desire to participate in the training program but do not meet these qualifications please tell us below why you desire to take the training to become an NJFCC qualified judge. We will notify you of your eligibility. We are especially interested in training new judges if they have an interest in becoming a judge and will follow through to eliminate the scarcity of judges in New Jersey.
